

**REMARKS**

In paragraph 5 of the present Office Action, the Examiner notes that Claims 20, 23 and 25 would be allowable if rewritten in independent form, including all of the limitations of the base claim and any intervening claims. In response, Applicant has canceled non-allowed Claims 18-19 and 22 and has rewritten each of Claims 20, 23 and 25 in independent form to place each of these claims are their respective dependent claims in condition for allowance.

Because all pending claims have been indicated as allowable by the Examiner or depend from such a claim, Applicant believes all pending claims are now in condition for allowance and respectfully requests such allowance.

No additional fee is believed to be required. If, however, any additional fees are required, please charge those fees to IBM Corporation Deposit Account No. 09-0465.

Respectfully submitted,
